

The Door, a Gate, and some doors . . .

Christ, Who is the Door to eternal life, and Our Lady, the Litany's lovely Gate of heaven, are the inspiration for building our book this was upon the doors of Prep.

For as through Christ and through His Mother we come to Life and Vision so it has been our good fortune these past four years to come through the doors of Prep to a deeper understanding of the meaning of life and the hope of our vision.

Each door of chapel, class and gym
has led to vistas new.
At penance-grille and altar rail,
at desk, in lab,
on rostrum, stage,
on field and court,
in office and in sanctum
we have come to learn
not so much how to make a living
but rather how to live.

Within the doors of classroom, gym and chapel we have learned to shape the whole of life, intellectual, physical, moral—to consider the whole man, body and soul, and to develop ourselves accordingly.

In the light of the past and of the present,
the future holds bright promise:
for Christ is the Door and our Lady the Gate
in whom and through whom our hope has been nourished
within the portals of Prep—
a living hope,
nurtured in the past and in the present
for the shining future
of peace
which is the work of justice.

. . . to shape the whole of life

The Student Council, composed of representatives of the various senior classes, takes counsel with the School Faculty and promotes student activities, thereby training for future community leadership. The Intramural Council is responsible for the care and distribution of equipment used in intramural sports. The K. B. S. Servers assist, as a guard of honor, at the altar for the weekly K. B. S. Mass and for the First Friday Devotions A keystone of Prep activities is the Sodality of Our Lady, wherein the members strive to bring themselves and others closer to God, as companions of Our Lady. The Guard of Honor (Knights of the Blessed Sacrament) and the Crusaders of Our Lady gather, respectively, on the First Friday and the First Saturday of every month each to offer the sacrifice of a Holy Hour of Reparation for Christ and His Blessed Mother

The Classical Academy seeks for a deeper understanding of the great minds of the past, through a more extensive study of the classical authors. St. Peter's bisweekly newspaper the Priroc, specializing in pizza print and Prep packs plenty of punch in each of its pulsing pages. The Glee Club brought further renown to the Prep this year with John Sweeney, a Senior, directing the vocal traffic, Mr. Bartlett, S.J. piloted his well-trained thespians of the Radio Workshop through the airwaves of Newark, Jersey City and the surrounding countryside. On platform, radio and TV Prep's Oratory Group won headline recognition and honors. The Beauderin and Collins Debating Societies strove successfully to develop the mental and vocal talents of their sharp-witted members.

The Modern Language Academies aimed to make their members familiar with the history, culture and political background of the people whose language they had

studied. The staff of the Petrean produced the book you're reading now. A stimulating flow of books and periodicals was channeled to the Prep students through the capable Library Staff. A practical knowledge and appreciation of the world of atoms and of industrial plant-operation was the aim, and under Mr. Devlin's direction, the accomplishment of members of the Chemistry Club. With Mr. Illy wielding the baton, the Prep Orchestra gave experience to its talented members while affording them fun and musical relaxation that re-echoed with appreciative audience applicate. The Icademy of Classical Music develops in its members an appreciation of the finer music

"The play's the thing" and this year the adaptation of Charles Dickens' "A Tale of Two Cities" was performed before more than a thousand first-and secondnighters. Even Mr. Dickens, himself, could not have failed to be impressed with the dramatic overtones of this novel-turned play. The Camera Club, stocked with Prep's shutter-bugs, teaches the latest methods of photography through lectures and practice. Its mentor, Mr. Haus, \$J., is also the guiding hand behind the Darkroom Staff, which is responsible for many of the fine pictures which appear here and in the Petroc. The many dark hours spent by Mr. Haus, S.J., with his protegés have resulted in much of the light which is being thrown by these pages upon Preparers and the Prep Sparked by the Band, our Freshmen Chreeleaders made more lively the lively football season and even braved the perils of the basketball court to lead the yells for a championship team. And last, but by no means least, with Mr. Hofmann, S.J. and Mr. Vicedomini, the loyal Band proved itself to be a true symbol of Peter's pride and glory

Duke obliged again Ferris' only score came on a run by Scarpa, The last Prep TD was set up on runs by Fay, Papaccio, and Daab. Schwarze upped the score to 27. Murtagh's educated toe made it a perfect 28.

Captain Onorato won the toss and Murtagh booted. The Dem's Arcediano returned the ball to the Prep 40, Rushes gained nothing, so the Redwings kicked to the Prep 29. Here, the Wings held up traffic. Schwarze booted to the Red's 25. After the next exchange of punts Schwarze passed to Waddelton on the 48, and Papaccio missed the first down Schwarze then kicked to the Dem's 15, where Lisa dropped the ball. On the bottom of the pile were Zanowski and Harbace, Schwarze passed to Fay who scored the TD. Murtagh PA-ed for the 7-0 score. The Maroon held fast and went on to guard their second win.

Galloping O'Grady hits pay dirt

The day of days arrived, with the Mem's to eke out a 6-0 victory over the Maroon. Exchanges of punts marked the only action on the part of both teams for the first half. Came the third period, and the Mem's began to roll. Prep, with the ball on its own 9, was forced to punt after no gain. Schwarze then kicked to his own 43. From there the Mem's started DeSantis passed to Faber on the 31. A line-plunge for two, and on the next down Faber caught another DeSantis pass on the six-yard line. A five-yard loss delayed the drive, but Dono-frie then cut through the end to score. The PAT was missed frio then cut through the end to score.
